

# SAFETY SERVICE PARTNERSHIPS

**PARTNERSHIPS** with Life and Safety create successful Environmental Health and Safety Management Solutions (EH&S) for large and small businesses. These partnerships offer support with various compliance and risk related initiatives, are customized to fit each client's specific needs,

and are the perfect fit for Human Resources, Facilities and Management professionals that, in addition to their normal job functions, are tasked with compliance and risk management.

## Partnership Process

1. MEET TO DISCUSS NEEDS & GOALS
2. CONDUCT GAP ANALYSIS
3. REVIEW LOSS RUN & INCIDENT HISTORY
4. DEVELOP & SCHEDULE SERVICE PARTNERSHIP
5. EXECUTE SERVICE PARTNERSHIP
6. ONGOING SUPPORT & SUCCESS REVIEW

## Typical services offered with Life and Safety Partnerships include:

- Management Systems Mentoring, Development and Support
- Process Development and Review
- Online and Classroom Training
- Records Management
- Customized Auditing and Corrective Action Management
- Hazard Chemical Management
- Environmental Health & Safety Committee Meetings
- Compliance Reporting
