

SAFETY COURSES

Online Course List

Accident Investigation	Shock Proof Qualified Employee		
Aerial Lift Safety	Shock Proof Unqualified Employee		
Air Emissions	Employee Safety Orientation		
Asbestos Awareness	Energized Electrical Work Permit		
Back Injury Prevention	Environmental Awareness		
Back Safety	Excavations: Trenching & Shoring		
Benzene	Eye Safety		
Bloodborne Pathogens	Fall Protection	Incident Investigation	Respirators: Air Purifying
Bloodborne Pathogens: Exposure Prevention	Fire Safety	Industrial Ergonomics	Respirators: Air Supplying
Crane Safety: Mobile Cranes	Fire Protection & Prevention	Introduction to OSHA	Rigging Safety
Crane Safety: Pendant Controlled	First Aid	Job Safety Analysis	Road Rage
Compressed Gas Cylinders	First Responder Awareness Level	Lab Safety	Safe Behavior
Concrete & Masonry	Food Allergens	Ladder Safety	Safety Attitude for Safety's sake
Confined Space: Permit Required	Forklift Safety	Laser Safety	Safety Orientation
Confined Space: Emergency Rescue	Formaldehyde Safety	Lead Safety	Scaffolding Safety
Container Labeling	GHS: Chemical Labeling and Classification	Leadership Skills for Safety	Sexual Harassment: Understanding & Preventing
Construction Safety Orientation	GMPs: Food Production Excellence	Lifesaving measures	Sexual Harassment: What Supervisors Need to Know
Decision Driving	HACCP: Food Hazard Prevention	Lockout/Tagout	Silica Safety Awareness
Decision Driving: Truck	Hand Safety	Lockout/Tagout: Energy Control	Site Security
Decontamination	Hand & Power Tools	Machine Guard Awareness	Slips: Trips & Falls
Disaster Readiness	Hazard Communication	Machine Guarding	Small Spill Cleanup
DOT: Driver Logs	Hazard Communication: Knowledge to Protect	Marine Security	Static Electricity
DOT: Driver Qualifications	Hazard Recognition	Muscle Strains & Sprains	Stormwater Management
DOT: Pre & Post Trip Inspections	Hazardous Waste	Off the Job Safety	Street Smart: Driving Skills
DOT/CSA: Profiled in Safety	HAZWOPER (8hr: 24hr: 40hr)	Office Ergonomic s	TSCA
Driver Awareness: 15-Passenger Van Safety	Hearing Safety	Office Safety	Transportation of Dangerous Goods
Drug Testing Awareness	Heat Stress	OSHA Recordkeeping	Valve Safety
Electrical Safety	Hexavalent Chromium	PACE Behavioral Driving: Small Vehicles	Walking Working Surfaces
Electrical Safety: High Voltage Awareness	HMT: Bulk transport	PACE Behavioral Driving: Large Vehicles	Welding Safety
Electrical Safety: High Voltage Safe Work Practices	HMT: General Awareness	Personal Protective Equipment	WHMIS
Electrical Safety: NFPA 70E	HMT: Non Bulk	PPE: Armed for Safety	Workplace Violence: Prevent the Threat
Electrical Safety: Part 2	HMT: Safe Work Practices	Personal Protective Equipment: Construction	
Fall Protection	HMT: Safety Requirements for Drivers	Pipeline Safety	
Fall Protection: Part 2	HMT: Security Awareness	Power Press Safety	
Fall Protection: Construction	HMT: Shipping Requirements	Preventing Spills	
Fall Protection: Construction Part 2	Hoists & Slings	Process Safety management	
	Hot Work	Radiation Safety	
	Hydrogen Sulfi de Safety	RCRA	

LIFE & SAFETY
CONSULTANTS, INC.

Safety for the life of your business.
